Kimball International solutions are great on their own, but they strike an even better chord together. That’s why we invite you to specify all our brands – not just one. Committed to craftsmanship and insights-driven innovation, our extensive portfolio gives you more options, more cohesiveness, and even more design possibilities. With all our furniture at your fingertips, there’s no limit to what you can create. Five of our brands coming together, all playing in Perfect Harmony.

Enhance your space with added comfort and functionality by incorporating elements from our vast collection of accessories. These ancillary additions provide opportunity for another layer of design while keeping areas organized and fully functional – making use of every bit of your workspace.

Accessories

Accessories have been described as the exclamation point to a person’s outfit. We think the same applies to a well-designed space. Our extensive collection of accessories elevate workplace environments and embrace evolving spaces. From lighting to organizers, pillows to power centers to ergonomic supports...and everything else in between, our comprehensive offering meets any need and suits any style.
